

South Jersey XC **Shootout**

“Not your ordinary XC race”

DATE: Saturday, Sept. 18, 2021
LOCATION: Gloucester County DREAM Park, Logan Twp**
 Site of the 2020 SJ Sectional Meet
Meet Website: www.sjxcshootout.com

****ONLINE ENTRY ONLY****

You do not need to declare what races Varsity athletes will compete in.

The 3,4 race is back this year!

Unique race format: Rather than a team running in one race, we will be running 3 races for boys and girls. The 1st race will be for a team’s 5th, 6th & 7th runners. The 2nd race will be for a team’s 3rd & 4th runners. The final race is the “Stud” race for the team’s 1st & 2nd runners.

Great, spectator friendly course on grass trails over rolling hills.

Music, great awards and a great time. Custom Cow Bells given to all teams to cheer on the competitors. Awards will take place at the hay bales.

Awards: **High School - Watches** to the top team (7 runners) for both boys & girls. Plaques to the top 3 teams. **Watches** to the top 3 individuals (boys & girls) in the “Stud” race. **Medals** to the top 35 in each race, except “Stud” race (watches for 1st-3rd, medals for 4th-25th).
Middle School: Medals to the top 25 in each race. Plaque to top team boys & girls (min. 5 runners)

Meet Records:	Miles Schoedler	Ocean City HS	15:40.0	2010
	Isabella Turner	Shawnee HS	17:52.89	2021

	JV Boys	3.1 miles	9:40 am
	JV Girls	3.1 miles	10:00 am
	5, 6, 7 runners Boys	3.1 miles	10:30 am

	1, 2 runners Boys (Stud Race)	3.1miles	12:30 pm
	1, 2 runners Girls (Stud Race)	3.1 miles	1:00 pm

Team Scoring: The High School team score will be based on lowest score from the 3 races. The places from the 2 runners in the Stud race, the 2 runners in the 3rd & 4th runner race and the place of the best finisher from the 5th, 6th & 7th runner race will be used to calculate the team score. Under this format, the lowest score a team can achieve is 7 (1st & 2nd in the stud race, 1st & 2nd in the 3, 4 race, and 1st in the 5, 6, 7 race)

This truly makes the meet a Cross Country Shootout.

***If a team has less than 5 runners, you can enter your runners in the race that best fits their ability. For example, a school with 2 runners does not necessarily have to enter them in the stud race.**
